Die 99 Namen ALLAHs heißen in Wirklichkeit die "schönsten Namen". Die Beschränkung auf 99 hat sich historisch entwickelt und geht auf einige im Koran erwähnte Namen zurück. Die Bezeichnung "schönste Namen" geht auf den Verse 7:180 zurück, in dem es heißt: *"Und ALLAH hat die schönsten Namen, so benennt Ihn damit."*

Auch in einer Überlieferung heißt es, dass ALLAH 99 Namen hat, und derjenige, der sie verinnerliche, komme ins Paradies. Von den 99 Namen Allahs stehen 84 wörtlich im Koran und werden insgesamt 1.286 Mal erwähnt.

Manche nutzen die 99 Namen, um sie mittels am Lobpreisungskranz mit seinen 99 bzw. 33 Gliedern als Lobpreisung zu rezitieren.

Da die 99 Namen ALLAHs unterschiedlich übersetzt werden können, gibt es oftmals mehrere Bedeutungen. Hier wurden nur jeweils eine Bedeutung ausgesucht.
